 no expenses during the previous month. The minutes of the last meeting were reviewed and a motion
 to accept them as presented was made by Frank Fairfield and seconded by Bill Harris and passed.

Upcoming meetings of A-Co were scheduled as follows: The next meeting on June tenth at Paul
 Wadson's; July meeting @ Lorna's July 15th Big picnic bring a dish to pass; August Meeting Sunday

Old business: Cemetery project: Frank Fairfield spoke and informed the members present of the status
 of this project. "Mr. Don Decker of Afton helped with the research regarding this gravesite. His Son had
 done a restoration 30 years ago as a Boy scout project. To date the following have donated to the project:
 Paul Wadson donated the granite slabs; a local building supply, 88 BC, donated the Sackrete required to
 help keep the slabs stable once they are set. Don Niles donated the time and the excavator to prepare the
 site and set the slabs in place. Fresh Top Soil was donated by Caldwells; This was trucked in by Tom
 Kelly of Kellystone park. A-Co. members Bill Harris, Florence Stacconi Frank Fairfield, and Matt Magda
 worked on this project. Cobra Enterprises will be donating the labor to produce the railings for the pe-
 rimeter. Our only expense will be the metal and the paint to paint it prior to installation. Once completed
 the plot will fall under the control of Broome County and the town of Colesville. At this point in time, all of
 the work is finished except the installation of the metal fence. After reviewing the records this project
 was originally approved by Board of Directors at Dave Pozzi's before he died. The board allocated \$500
 for project in the Fall of 2010 . The decedent was approx 20 at time of the Revolutionary War. He origi-
 nally was from Berkshire mass. He was part of Berkshire minutemen under Col Paterson . April 19th 1975
 and also fought in the Canadian campaign and also fought as a junior officer at Bunker Hill. We are hop-
 ing that there will be Revolutionary War re-enactors at the Dedication. Target date is near July 4th.

New Business: Lorna Eaker told the meeting about the possibility of a Trail Ride at Howard Smiths in Au-
 gust and this would include having a picnic while gathered together. The Brookfield trail ride is still pend-
 ing and that may be held more than one time.

Frank Fairfield reported that the club is out of NY-PENN t-shirts in 1x and 2x and we need to order more.
 Becky Whiting mentioned that there have been requests for these shirts in 3x. Frank will obtain prices
 and the Board of Directors will review this at their next meeting. The remainder of the items available are
 plentiful at this time.

No further new business was at hand and a motion to adjourn was made by Frank and seconded by Matt
 Magda voted and passed at 1351.

A note from your editor:

I have managed to get moved and am now in temporary quarters. The newsletter will go on as usual originating in my combination communications/web publishing shelter on my trailer. ALSO... I want to thank everyone who came to the Norwich Car Show as this was a fantastic time this year with perfect weather. As display events go, this one is the best in my opinion. Schenevus is coming up in Mid July and we have the run of a portion of the grounds and it is a great place to stay and show your military vehicle. The Fireman's festival is fun and this all ends with the Parade on Saturday. I hope as many of you as possible try to make this event. REMEMBER The car show at the Blenheim is Sunday and I am planning to convoy to that location (hopefully with others) after the parade on Saturday.
