NY - PENN MILITARY VEHICLE COLLECTOR'S CLUB INC .

## A FEW WORDS FROM YOUR EDITOR

I want to take a minute and thank everyone for being so generous with their kind words regarding my efforts as editor this year. It would have been far more difficult to manage the newsletter without the support and cooperation I have had with everyone in the club. I want to specifically thank Bill Harris for giving me such a good start and continuing encouragement.

To me, Bill will always be the "EDITOR-EMERITUS". (To be held in the highest regard!)

As I announced in an email to the email recipients of the newsletter we will be having a HOLIDAY ISSUE of the newsletter. I intend to make this an issue with member contributed content. I would love pictures of your MV's in the snow; add kids and a dog and you have the makings of a cute and fun photo. The idea is to make this our club greeting card so send your pictures, either digital, or by snail mail to your editor and I can put the newsletter together. Remember the holiday theme and add your best wishes to all! I will delay the issue until the 10th of December so you have a little extra time to get your submissions to me.

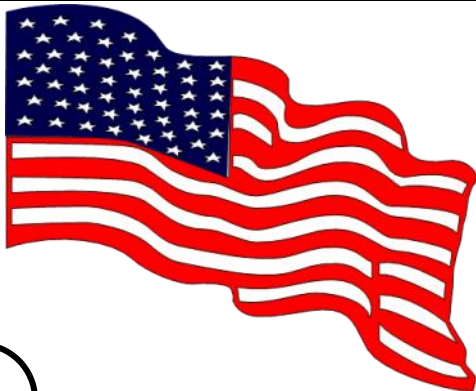

I want to make sure that everyone keeps Rob Pearson in their thoughts and prayers. At this point, Rob is waiting for liver transplant. I received a brief note from Linda a few days ago and want to share a portion of it here:

*We're in Cleveland, for 5 weeks today, with no idea of when we'll return. Robert has made a DVD of photo's (jeep and family) that we would like to mail to you. Obviously not the family pic... he thought you'd like to use the jeep related ones for the Dec. newsletter. Linda*

An update on the Fort Drum event. I have been acting as communications liaison for the club and did receive word that the event is a go tentatively scheduled for June 18th and 19th. The name if the event is: **Fort Drum's 2011 Ride Through History (Historical Timeline & Vehicle Rally)**

There is a webpage where the event is being featured and you can get updates there.

## Hudson-Mohawk Report November 14th , 2010

AMVETS Post 2752 Schenevus, New York

**NEXT MEETING:** November in Cobleskil : Date to be confirmed

Meeting called to order. Pledge of Allegiance recited. 18 members present. Thanks to Joe Staruck and Bill Fredette for organizing this meeting. AMVETS thanked for the use of the site and the good food. Hat passed at the end of the meeting for a \$71.00 donation to the post.

Nick thanked several members for participating in the September 25 and 26 Hudson-Mohawk Truck Show at the Saratoga Fairgrounds. Fourteen military trucks were displayed on Saturday and seven on Sunday. The public turnout and interest in the military trucks and the Viet Nam display was fantastic. Many questions initiated some significant discussions. The appreciation of our attendance and honoring those veterans that have served this country and its citizens was tremendous.

Ballots mailed to members were collected to be forwarded to President Frank Fairfield. By-laws received by the membership by mail are to be reviewed. Proposed changes, concerns or questions are to be submitted to the newly elected First and Second Vice-presidents in January 2011 for consideration by the new 2011 NY-PENN Board.

Our thoughts and prayers go out to Rob and Linda Pearson who are now waiting for a liver transplant for Rob after just recuperating from his double lung transplant last September. Keep fighting, Rob!

Items for sale include a 6 cylinder Chrysler Industrial L-30 engine completely rebuilt and ready to go. Asking \$500. Call Art Wright at 518-895-8382 for details. Tim Smith offers a 25 k Army Signal Corps 120v generator, excellent running condition. Asking \$200 or best offer. Call 518-885-0733.

The City of Albany Veterans Day Parade will be Thursday, November 11, 2010. We are in the First Division of the Parade. The staging area for Military Vehicles is the same as last year heading east at Partridge and Central Avenue. Line up 9:30 to 10:00 a.m. Step off promptly at 11:00 am. Jack Pollard will be escorting WW11 Veteran, Frank Curry. Please let Nick at 518-583-4395 or [mtnman1947@aol.com](mailto:mtnman1947@aol.com) know of your plans to participate.

John Tennis reports interest in having a 2011 Wings, Wheels and Tracks Show in Cobleskill. He will be contacting the Cobleskill Vets for further discussion. He will be attempting to schedule our November meeting at their venue.

Bob Mueller reviewed plans for the City of Amsterdam Veteran's Day Parade. Note: Since the meeting he has found that the parade is NOT on Saturday as we thought, but on Thursday, November 11th. Staging at 8:30 on Guy Park. Step off at 9: am.

J. T. proudly reports the acquisition of a new tractor. Jack Pollard a 1918 Howitzer and a pending F-86 with gun mount. Bob Mueller has purchased a CCKW tipper and a fire truck. No "new vehicle" monies were collected.

J. T. reports that Fort Drum is proceeding with their plans for their celebration days in June 2011 and are looking forward to the NY-PENN club's participation. The curator of their "wonderful museum" would love to have us and other Military Vehicles.

The motion to close the meeting was made by Bob Mueller and seconded by Tim Ryan and carried.

Submitted by, " Nick" John Nichols

## **A-Co. Meeting notes for October 24th 2010**

*These meeting notes were compiled by your editor and are representative of the meeting as it transpired. 1st VP Gordon took the official minutes and will offer any corrections at the next meeting. Please direct any corrections you have to Carl Gordon at that time.*

The meeting was called to order by Carl Gordon at 1300. The meeting was attended by 12 members and guests. The minutes from the August meeting were reviewed and no corrections were offered for them. Carl did explain that there was a confusion in the month of Paul's MV rally and October was the correct month and that would explain why the minutes and the coming events were not as initially discussed. Carl asked for a motion to approve the minutes as corrected previous to the meeting and Bob Messersmith made the motion and Matt Magda seconded and the minutes were approved.

President Frank Fairfield was in attendance and offered that he did not have a treasurer's report but the balance would be close to what it was at the end of August. Additionally ballots were collected and President Fairfield reported he had received 10 in the mail prior the meeting. Frank also advised the totals would be in the coming newsletter.

Many members inquired as to how Rob Pearson is doing and your editor offered the note received from Linda recently. Rob and Linda are still in Cleveland and have been for the last 5 weeks and Rob is waiting for a liver transplant. Everyone present expressed concern and hope that Rob would be on the mend soon.

The military vehicle event at Fort Drum was discussed. Confirmation was received that there will be a weekend event at Fort Drum tentatively scheduled for June 18 and 19 of 2011. The exact location is yet to be decided but it will be on the grounds of the Fort. As the information becomes available it will be distributed to all members. This event comes nicely between any other shows and events and should be a great event for our club.

The next meeting of A-Co was arranged by Matt Magda and will be held on the 14th of November 2010 at the

" Village of Windsor Community House "

107 RT 79 Windsor.

From RT 17 / Interstate 86 take exit 79.

17 East bound, exit 79 turn left about 1/2-3/4 mile. On the left. Just past the light.

17 West bound, exit 79 turn right. Go to light. Turn left. On the left.

With the official business concluded, the chair asked for and received a motion to adjourn until November and with a second, this was passed and the members then enjoyed a nice spread put on by Paul Wadeson. Thanks Paul for hosting the meeting and everyone enjoyed the chance to pick up a few items in your great store.
