

NY-PENN NEWS

NY - PENN MILITARY VEHICLE COLLECTOR'S CLUB INC.

NY-PENN Elections coming up

As it is NY-PENN Election season, each company needs to form a NOMINATING COMMITTEE and tap candidates for their respective 1st and 2nd V.P. positions and also candidates for President, Treasurer and Secretary which can be nominated from the entire NY-PENN membership. These nominations need to be turned in to the Secretary Bill Harris by 10-25-11 so a ballot can be included in the newsletter in November.

Instructions will be included in the November Newsletter as to how to submit your ballots. Normally the nominating committees would have been established in September but with the disasters that occurred in the region as well as two of our component companies not meeting in September has caused this to be pushed back to October.

MEMBERSHIP RENEWALS

Your membership in the NY-PENN Military Vehicle Collector's Club will expire in December and we just wanted to let you know that renewals can be accepted at anytime. All members who have not already done so can renew at any time between now and the end of the year. 2012 Member ID cards will be produced based on the list of members who are in good standing as of the end of January or early February 2012. Any ideas or suggestions for the ID cards are appreciated. I will continue with the reminders in the newsletter until the March issue of the newsletter. You can submit your dues to any officer or to me directly as newsletter editor and the one who compiles the member roster.—(editor)

Curzon "Dick" Scott 82 passed away

Grady Scott has informed me that his Brother had passed away Sept. 18th. Dick Scott was a founding member of the NY-PENN MVCC as well as having served on the MVPA board of Directors. He was a Korean War era Vet and was very active in his community. Surviving Dick is Phyllis, his wife of 59 years, his brother Grady, his Sister Mary Cable along with a very large family and extended family.

If you would, please say a prayer for Grady and the Scott family (editor)

VETERAN'S DAY PARADES AND OTHER EVENTS

Please get your events in to me so I can include them in the November Newsletter. Veteran's Day is one of the events that we hold dear. Let's do our best to make a parade this year to show our respects to those who have served. (editor)

Hudson Mohawk Co. Oct. 23rd, 2011 2 pm

Homefront cafe in Altamont on Sunday, October 23 at 2PM

Easy Co has not notified your editor that there is a meeting in the next month.

Hudson Mohawk Co. Minutes

September 18th, 2011

On 9/18 there was a Hudson Mohawk Co. meeting at the future site of the ALCO Heritage Museum in Schenectady off of Erie Blvd.

We met with several people from the proposed museum including their Director, Jim Cesare, Ray LeGere, Matt Giardino, and Dave Gould. HM members included Jack Pollard, John Kolanchick, Bill Maetta, Tim Ryan, Bill Pettigrew, Dave Nigriny, John Powell, and Jamey Darrah. Attending from NY-PENN HQ were Frank Fairfield, Bill Harris, and Matt Magda.

The ALCO Heritage Museum currently leases about 18,000 square feet of a modern building located on or near part of the original ALCO manufacturing site. Their intention is to lease to buy the 3 and 1/2 acre property and building. In addition to Railway Equipment, ALCO produced a variety of tracked and armored vehicles for the military during WW II and the Korean War era; which is where our group might fit in. WE were asked if NY-PENN might be interested in becoming part of a joint RR/Military Vehicle museum, and if we would be interested in renting the remainder of the building (+\ 16,000 square feet) for this purpose. The building is "T" shaped, 2 1\2 stories, with overhead cranes in each bay. The purchase price for the property is expected to be in the half to three quarters of a million dollar range. They have some fundraising/political events planned; there was a Family picnic day (Open House) on Sat. 9/24, on 10/11 there will be an event where their architect will present his ideas for the site, and on 10/22 there will be a fundraiser attended by politicians including Paul Tonko. Jack said that we would bring this information back to the membership and see what interest there might be in their project. The Pollards brought their M-47 Tank to the museum for the event on the 24th, and it will probably remain there on display over the winter. Frank Fairfield told us that Mark Snyder's home and military vehicle collection had been flooded, and that Mark is selling his collection - all of it has been under water. He can be reached at 607-953-4326. Mark has some very interesting vehicles, and this would be an opportunity to buy some great restoration projects. Frank also said that he is selling an M38A1, and a large assortment of MB, GPW, and M37 parts. In addition, ESAM has a 1947 CJ in rough condition for sale. The next Hudson-Mohawk meeting will be at The Homefront cafe in Altamont on Sunday, October 23 at 2PM. Jack said it would be good if as many members as possible could attend to discuss the museum idea and to talk about nominations for upcoming club elections.

(Rec'd from Jamey Darrah 10-02-11 Editor)

2011 NYPENN OFFICERS

Here are the officers for the year 2011. Please remember that each Company officers have the NYPENN merchandise and you can get the Hats, T-Shirts and decals from them.

How many floods are enough??????

Hurricane Irene.....Hurricane Lee.....Flooding.....more flooding.....

Many members of the club were affected by these natural disasters. For some it was the second time around including the floods of 2006.

Here is a picture taken shortly after Irene left the area in late August from Vrooman's nose overlooking the Schoharie Valley.

To the right is a home along Rt 30 in front of the Schoharie School

To the left is the former Middleburgh Pharmacy which has been rendered unusable by the first round of floods. Below is upturned tanks of Ottoman and Enders Fuels. 40K gallons are estimated to have been spilled.

As of early September 80% of the homes in Schoharie have been condemned as a result of the flooding caused by Irene. This is round one of the flooding.

Bob Muller submitted these photos of the damage as he is involved in emergency management in his immediate area.

Hurricane Lee or, Floods, round 2

Vestal in Broome County and Mark Snyder's property and collection

Bill Harris passed word that Mark has lost his house, shop and collection as they all had been flooded as a result of Hurricane Lee. Several members including Matt Magda, Bill Harris and Frank Fairfield were there to help move vehicles and they purchased some of the vehicles in Mark's collection. If you want to talk to Mark to see if there are any other vehicles he would like to sell you can call him at (607) 953-4326 .

Gallupville Cleanup **September 10th 2011**
 Photos and article by Bob Muller

We had about 2 miles of Rt 443 closed due to the road being washed out. It is only accessible by 4x4 vehicles or larger trucks. The folks in that area had cleaned out the storm debris from their basements but were only able to get it roadside. With the amount of spoiling food and other unidentified garbage, the sooner it was disposed of the better. A vehicle directly involved in storm relief does not need to be registered and that immediately provided a plan. With the help of about 20 Mormon volunteers, myself and another driver pulled 14 loads of storm debris from the area. Due to the volume, it is being stockpiled on the Town's tennis courts until it can be permanently dealt with. This truck is a 1944 GMC I purchased last year. It was actually in the war in Europe before going into the Dutch Army for 45 years. Who would have guessed it would still be pulling duty 65 years later? It was perfect for the job.

CLASSIFIEDS

FOR SALE: 05/11 **M38A1 w/ Hardtop No Engine \$300**
 **** M38A1 Engine overhauled \$900
